Var : **GUUST is publiek gevaar Nr. 1**

In het Franse departement VAR (Province) komen helaas nogal eens bosbranden voor. Het bestuur van het departement heeft onze vriend Franquin verzocht de hierbij afgedrukte tekeningen te maken. Het voorbeeld van Guust is werkelijk niet om na te volgen. Hij

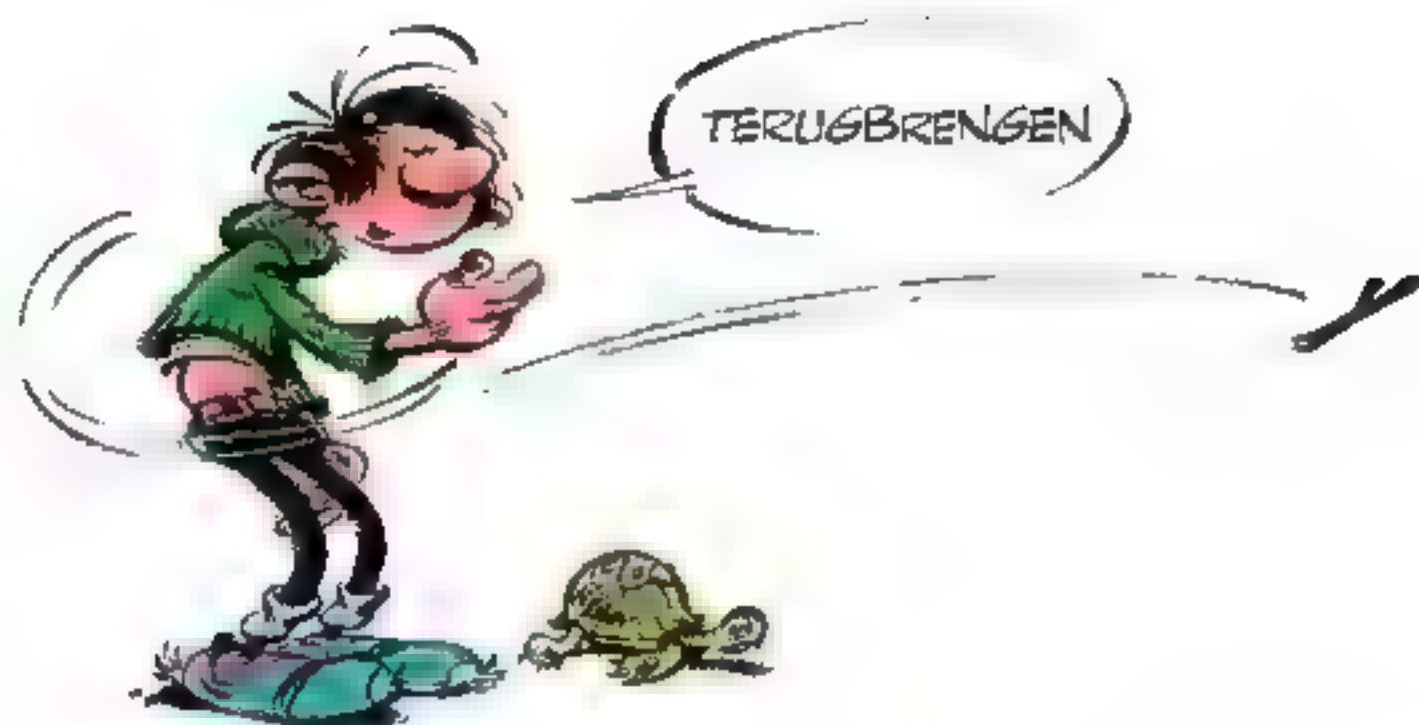

mag trouwens in de hele streek niet meer komen.

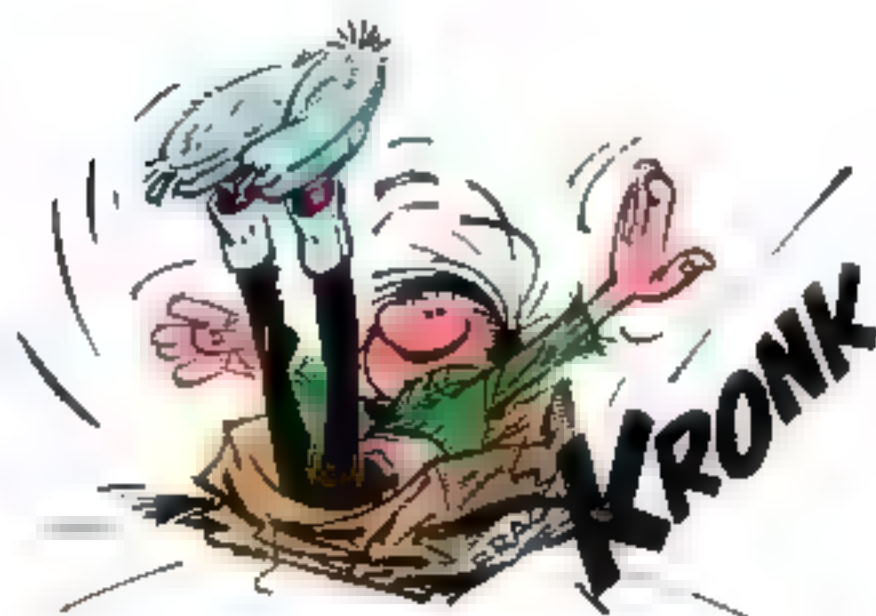

« Nou, moe... was het commentaar van Guust. In plaats van al die affiches te laten drukken, hadden ze Michel en Dick beter erbij kunnen roepen! »

Het vervelende is, dat die twee op het ogenblik in de Himalaya zitten

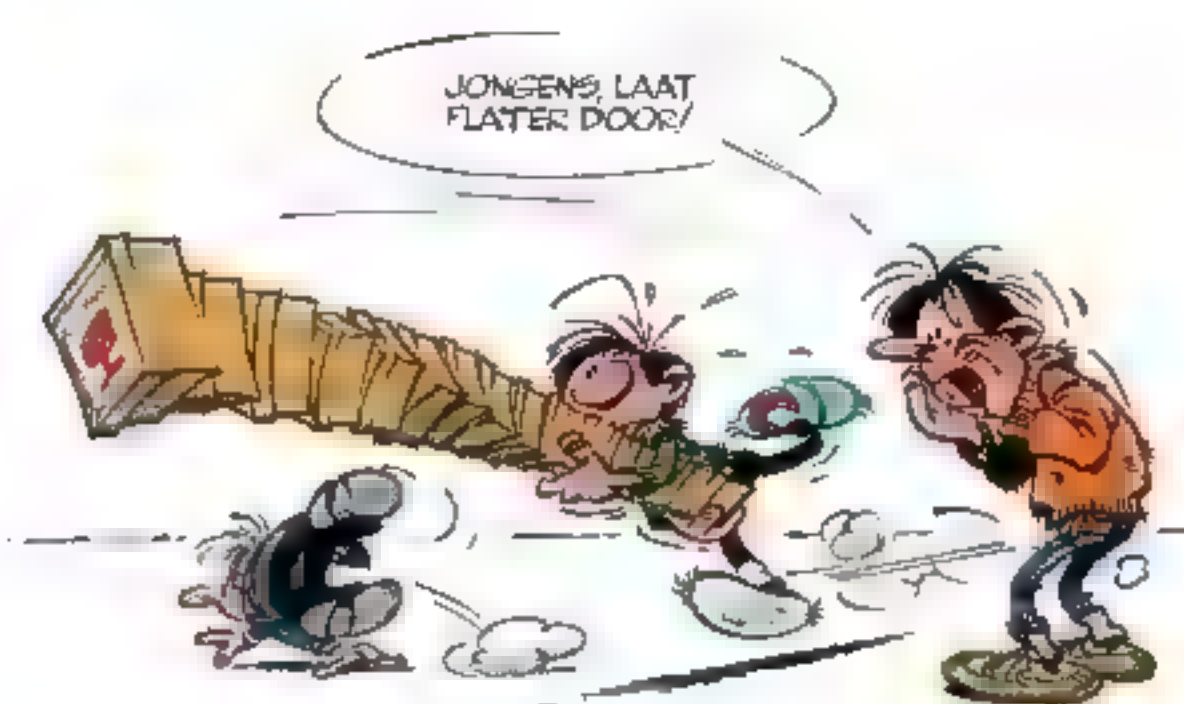

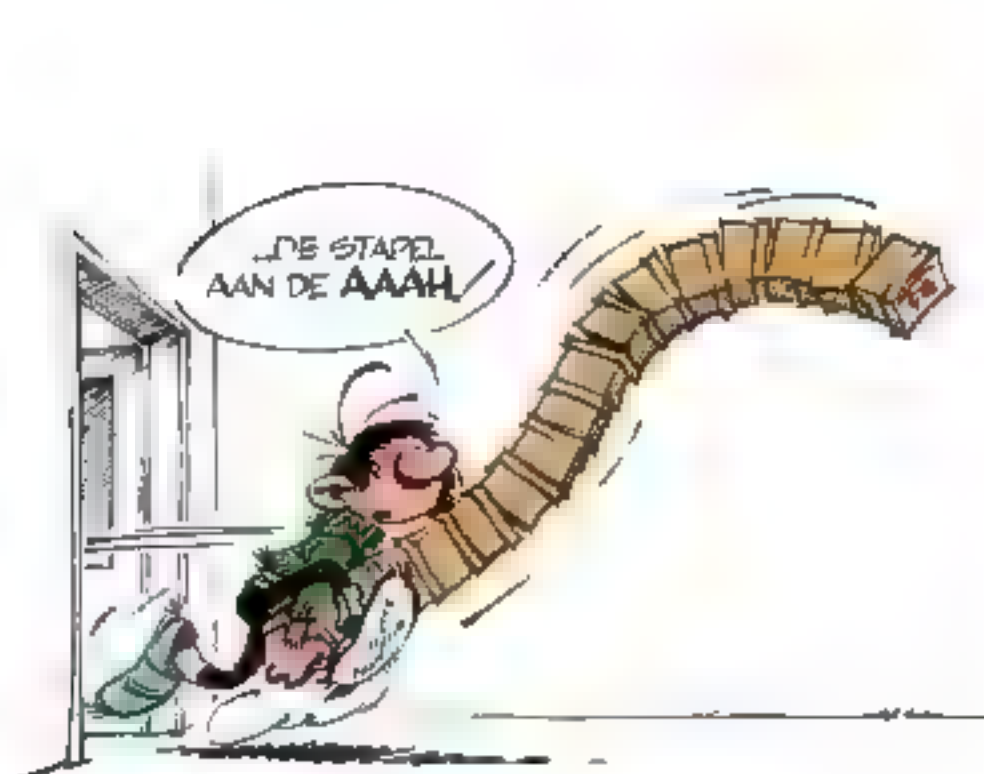

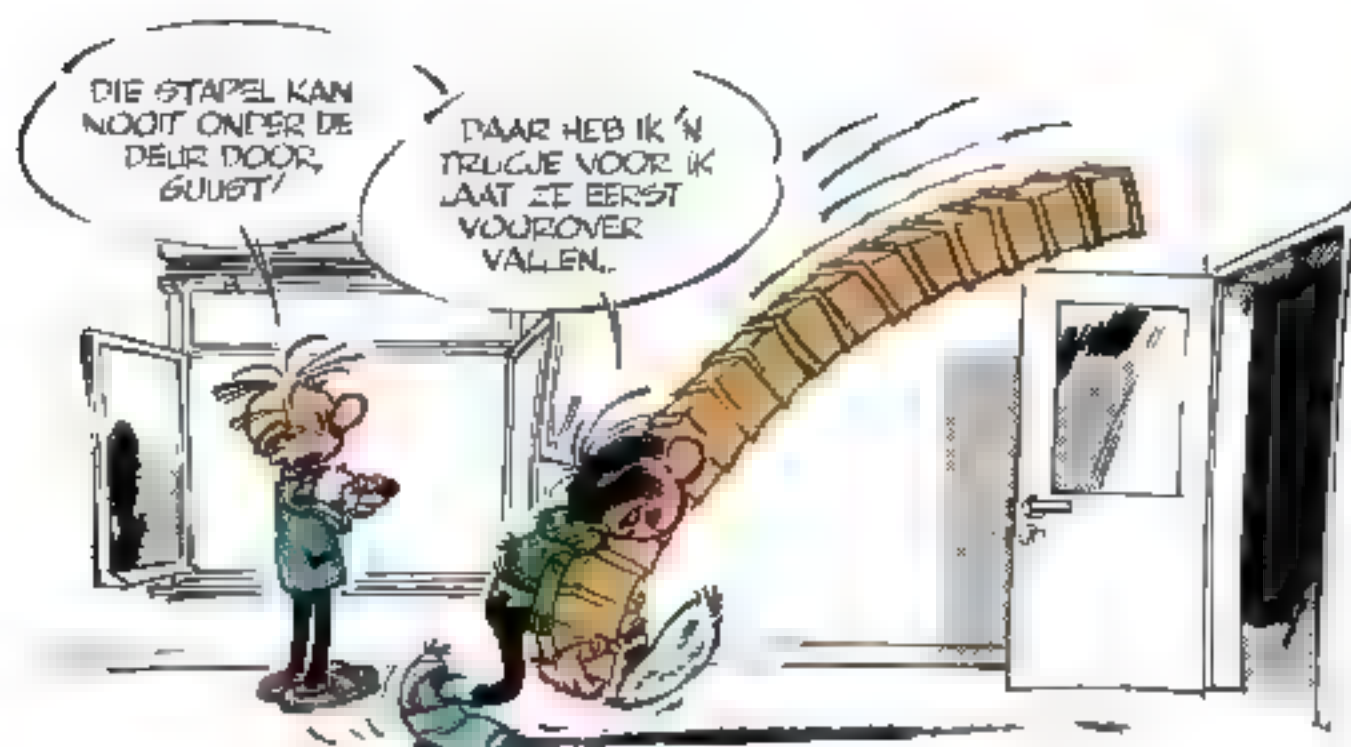

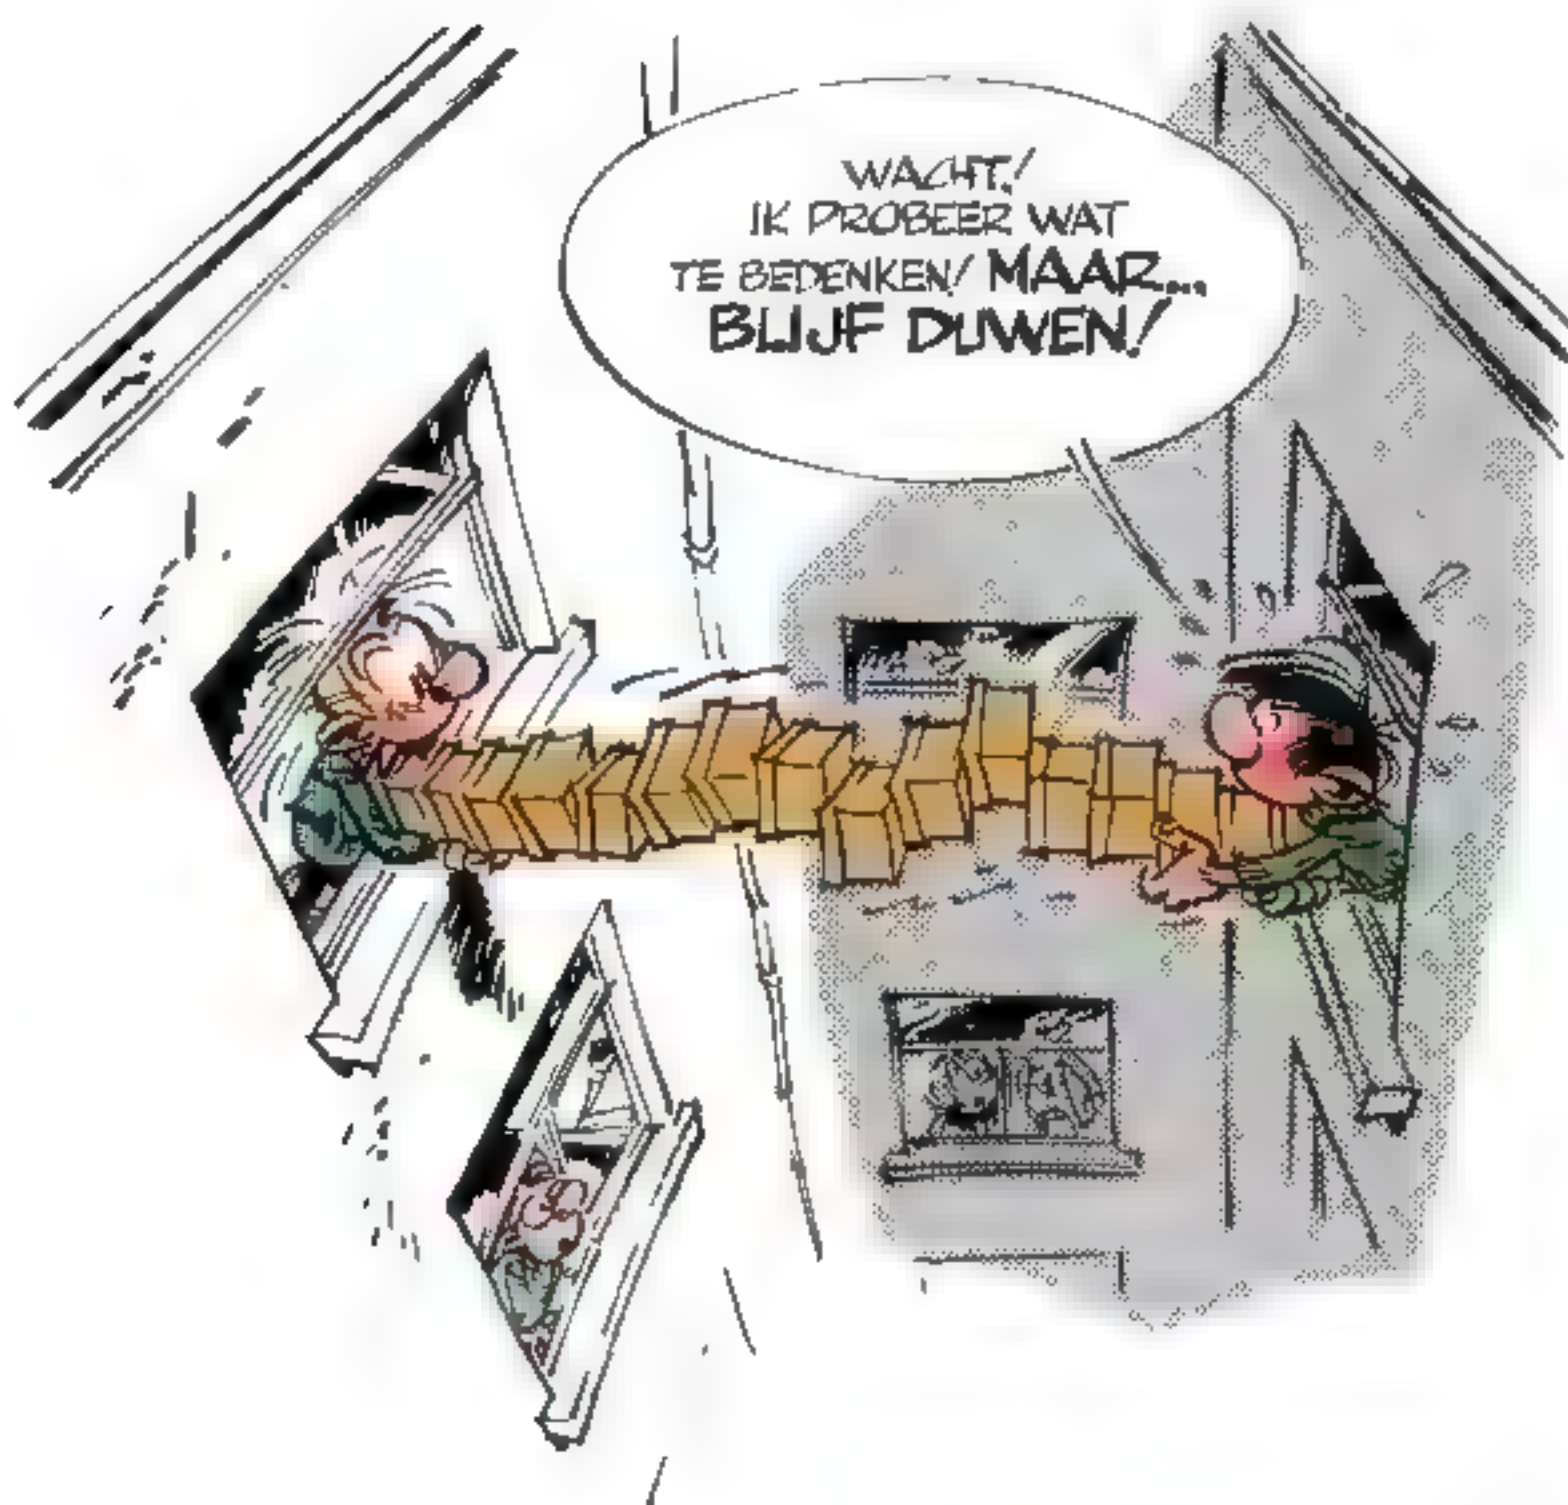

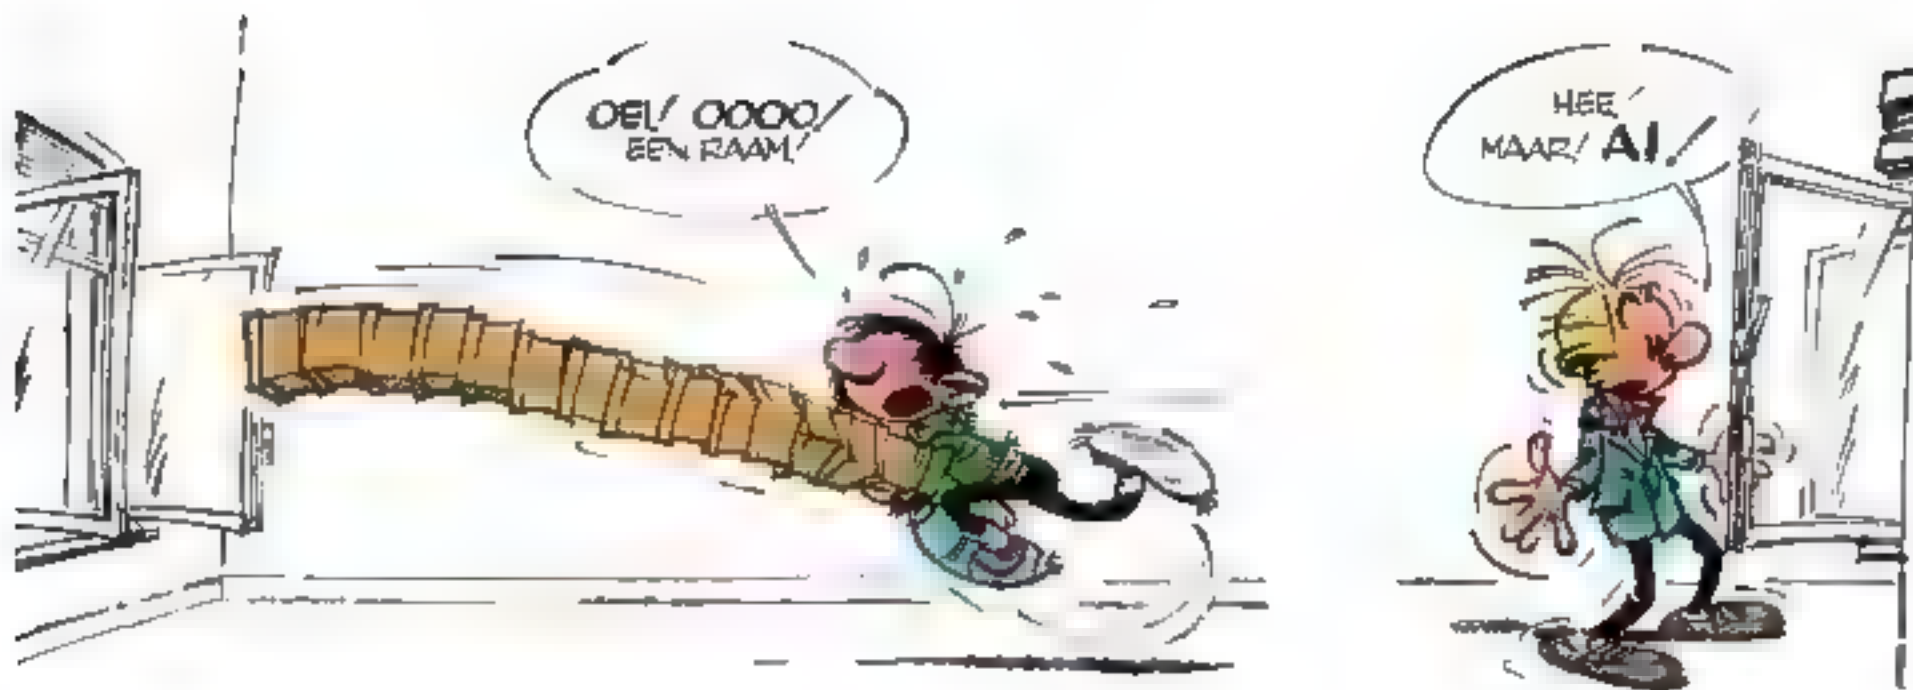

*Deze gags zonder kaders
werden niet gemaakt voor
het weekblad Robbedoes
Ze verschenen in een
aparte reeks die door
Uitgeverij Dupuis in
pocketformaat werd
uitgegeven*
